

EPLAW Survey on the location of UPC local, regional and central divisions

1. Where would you recommend that the local, regional and central divisions of the UPC be located?

near an International airport

near an International train station

in the city center (when the International train station is not in the city center)

2. Which kind of building should in your opinion host the UPC local, regional or central divisions?

a modern building

an historical building

3. Having in mind that the number of cases brought before the UPC during the first years is unknown, the premises for the local, regional and central divisions should be set up in:

a building with limited space as an interim solution

a building with flexible space as a more permanent solution

4. What should be the maximum public transport time from the nearest airport or train station to the location of the UPC local, regional or central divisions?

45 minutes

30 minutes

15 minutes

5. Do you have any additional suggestion on the location of the UPC local, regional or central divisions?

Done
